IMPORTANT INSTRUCTIONS FOR COLLEGES –

All Principals and Controllers of Examinations are directed to ensure strict compliance with the following:

- Prepare the college datesheet (with elective subjects only changed) and submit to district focal person till **3rd April**. Display datesheet on the notice board. Inform all students about examination schedules and instructions in advance.
- Ensure secure handling and timely printing of question papers provided by the Academic Operations Wing Punjab.
- Sharing or circulation of question papers through social media or any other means is strictly prohibited. Students shall not be allowed to take question papers outside the examination hall.
- Paper starting time is **9:00 AM**. All candidates must reach the examination center at least 30 minutes prior to the commencement of the paper.
- Daily attendance must be compiled and reported to the District Focal Person by **10:30 AM**.

- It shall be mandatory for all students to appear in and qualify the pre-board examinations. In case of absence or failure in two or more subjects, the candidate's admission for the Board Examination may be liable to cancellation as per policy.
- All examinations shall be conducted with strict adherence to discipline, transparency, and standard operating procedures, maintaining the same decorum as observed in Board Examinations.
- Teaching staff shall ensure fair, accurate, and timely evaluation of answer scripts. The final compiled result must be submitted to the DPI Office by **4th May**. A Parent-Teacher Meeting (PTM) shall be convened on **9th May** for dissemination of results to parents. Roll number slips shall be issued subsequently.
- All institutions are required to ensure full compliance with these instructions. Any negligence or deviation shall be viewed seriously and may result in administrative action.
